~Biggest, best costume ball in Salem, Massachusetts, where  
Halloween is the biggest, best event anyway!

~Doors open at 7:30pm, the Ball officially kicks off at 8pm.

~Food is all finger food, including passed and stationed party food everywhere.  
Food stays out all night, until around 11ish.

It will save you a stop in a line somewhere.

We take your picture, a couple of poses of your choosing.

with easy access from our website/blog.
