

HAWTHORNE HOTEL

PET'S PLEDGE

To say thanks for letting us come on vacation with our owners, we promise to make sure our owners do the following:

-  We pledge to stay in carriers when our owners aren't with us
-  We pledge to tell our owners to take us with them if they're going to leave the hotel
-  We pledge not to damage the property, disturb other guests, or harm anyone. Our owners will be responsible for all damages, potential injuries, and loss of revenues
-  We pledge to let our owners know that we shouldn't be given a bath at the hotel
-  We pledge to stay on our leashes while at the hotel and in Salem
-  We pledge to remind our owners that Housekeeping will not come into our room to clean if we are in there. Our owners will tell the Front Desk when the housekeeper can come to our room to clean.

Signed,

Pet Guests of Hawthorne Hotel
