

The Tavern

Welcome to the Hawthorne Hotel's Tavern on the Green. Established in 1925, the hotel is registered as a National Historic Landmark and is one of about 260 Historic Hotels of America. It is here that, on the former site of the hotel, the Monopoly game was invented by the Parker Brothers and as recent as 2015, scenes were shot inside the adjacent ballroom for the Hollywood movie "Joy" with Robert de Niro and Jennifer Lawrence, who both stayed on the property for several days.
