Booking Rooms for October 2024

Rooms and rates for next October are not currently displayed on our website as we do not book stays more than one year in advance and many weekends require special forms. There is a very high demand for weekends in October and we offer returning guests the opportunity to re-book before making the rooms available to new guests. Don't let the demand for rooms deter you! If you are able to visit during the week, you will find greater room availability and shorter wait times at popular attractions.

★ Two-Night Minimum + Deposit on Weekends

There is a two night minimum for weekend stays (Friday + Saturday or Saturday + Sunday) in October. During the week, however, we welcome guests who may be looking for a shorter visit. A **non-refundable deposit** representing one night of your stay is required for all reservations for stays in September and October. Should you need to cancel your reservation, this deposit will be forfeited and kept by the Hawthorne Hotel as a cancellation fee.

If you wish to book a weekend in October 2024, rooms will be available to the general public (via voicemail: 978-825-4444) every **Tuesday at 10:00 a.m. following the weekend noted in the informational chart. You will be directed to a voicemail** where you will be asked to leave your reservation request (dates/number of people.) A reservationist will call guests back to confirm details in the order messages are received. October weekends cannot be booked online.

★ Returning October Weekend Guests

Guests who are staying at the Hawthorne on a weekend in October 2023 are given the opportunity to book for 2024 while they are here. However, this is not a guarantee of room availability, only an option that they are allowed to exercise if the room they desire is available. Deposits for all stays booked for September or October will be required.
